

Jason Carter, M.D.

Orthopedic Surgeon

Specialties

Sports Medicine
Joint Replacement
General Orthopedics

Areas of Interest

Minimally Invasive Knee & Hip Replacements
Shoulder, Knee, & Ankle Arthroscopy
Sports Medicine Injuries
Adult & Pediatric Trauma/Fracture Care
Small Incision Carpal Tunnel Release Surgery

Dr. Jason Carter completed his orthopedic training at the Level 1 Trauma Center Scott & White Hospital in Temple, TX. His practice covers all spectrums of orthopedics including both operative and non-operative treatments of musculoskeletal problems. He has great interest and extensive experience in the latest techniques of joint replacement, arthroscopic knee, shoulder, and ankle procedures, and adult/pediatric trauma/fracture care. His practice of minimally invasive surgeries includes small incision carpal tunnel release, arthroscopic rotator cuff repairs, percutaneous fracture fixation and minimally invasive joint replacement surgery. As a former Lufkin High School Quarterback and University of Mississippi football player, Dr. Carter is committed to keeping young athletes in the game. He serves as a member of the Lufkin School District Sports Medicine staff.
