

Timothy Shane Shaw, M.D.

Orthopedic Surgeon

Specialties

Dr. Shaw is a Board Certified Orthopaedic Surgeon who specializes in the care of hips, knees, shoulders, fractures and kyphoplasty of the spine.

Areas of Interest

A native Texan, Dr. Shaw received his medical training in New York City. Eager to return to his home state, Dr. Shaw moved to Livingston and began his private practice in 2005. Since then, he has helped many East Texans become pain free and return to normal daily activities.
